

Citronella Shampoo

Grooming

Product Description

This concentrated citronella-scented shampoo deep cleans, while helping repel flies and mosquitoes. Citronella shampoo is gentle enough for everyday use and can be used to remove dirt, grease, and excess oil from the hair and skin, leaving the coat shiny and silky.

Directions For Use

Apply shampoo directly with a sponge or pour into a bucket and dilute with water for heavy sudsing action. Massage into coat, then rinse thoroughly with water. Remove any excess water with a scraper and towel dry. In cold weather, use warm water and walk or blanket animal until completely dry. Bathing in extreme cold is not recommended.

Storage

Store at room temperature (20°-25°C).

Species

Horses

Dogs

Do not use on cats or kittens.
