

## Sandpurge™ Psyllium Pellets

### Nutritional Supplements

#### Product Description

This apple and molasses flavored pellet is formulated with 100% pure psyllium seed husk to aid in removing sand and dirt from the intestinal tract. Sandpurge™ can be used as a top dress or fed separately to reduce gastrointestinal upset, increase gut function, and reduce the possibility of sand colic in horses and ponies.

#### Directions For Use

**Adult Horses (1,000 lbs):** Administer 1 to 1.5 scoops daily for one full week (7 days) out of every month. Give less to ponies, yearlings and foals - more to larger horses and draft breeds.

Can be given during or after mealtime.

#### Species

Horses
