Uva Ursi Leaves — Nutritional Supplements

## Uva Ursi Leaves

### Nutritional Supplements

#### Product Description

A natural, herbal extract used as a mild diuretic to help relieve pain and discomfort associated with bladder problems and fluid retention. Uva ursi leaves also boost immune health and increase muscle function within the urinary tract.

Contains buchu leaf extract for added effectiveness.

#### Directions For Use

Provide a pinch in horse feed every other day or brew one ounce in one pint of boiling water then strain and add to feed. Reseal after each use.

#### Storage

Store in a cool, dry place.

#### Species

Horses

Dogs

Goats

Livestock
