

Animal Shampoo

Grooming

Product Description

A highly concentrated, all-purpose, coconut-scented shampoo designed for economical, everyday bathing that helps reduce unpleasant odors and smells. Animal Shampoo contains a special agent that extends cleanliness, while also conditioning the coat to make it more manageable and lustrous. It is pH balanced, antistatic, and has excellent lathering action, making it easy to rinse away.

Directions For Use

Wet coat thoroughly with warm water. Do not get shampoo into eyes. Apply a small amount of shampoo to various parts of the hair and coat. Rub to produce abundant lather. Add more water if necessary, to increase lathering. Rinse thoroughly.

Storage

Room Temperature (20°-25°C).

Species

Do not use on cats or kittens.
