Caution

For external use only. In case of deep or puncture wounds or serious burns consult a veterinarian. If redness, irritation, or swelling persists or increases, discontinue use and consult a veterinarian. Do not apply to irritated skin or if excessive irritation develops.

Keep out of reach of children. If taken internally, severe gastric disturbances will result. In case of accidental ingestion call a physician or poison control center immediately. Causes eye irritation. In case of contact, immediately flush eyes with water and call a physician. May cause skin irritation. Avoid contact with eyes, skin, mucous membranes and clothing. Wash hands thoroughly after handling.

Warning

Flammable. Keep away from heat or flame.

Harmful if swallowed. Keep out of reach of children.

See label for complete indications, precautions, warnings, residue information, and use directions.
