

Rice Bran Oil

Nutritional Supplements

Product Description

An all-natural, balanced source of energy, calories, vitamins, minerals, and fatty acids to improve body condition and increase the sheen in a horse's hair and coat.

One gallon of pure Rice Bran Oil is equivalent to 40 pounds of rice bran. Rice Bran Oil naturally supplies high levels of vitamin E, lecithin and gamma oryzanol. Safe for HYPP horses.

Directions For Use

Shake well before using. For horses 1000 pounds: feed 2 to 4 ounces daily mixed with normal feed ration. As a rule of good feeding practice, Rice Bran Oil should be introduced gradually. Amount and frequency may be varied as necessary or as directed by a veterinarian.

Feeding 4 ounces per day, one gallon will last up to 32 days.

Storage

To ensure freshness we recommend the entire container should be consumed within two months of breaking the seal. Refrigerating opened container may extend shelf-life.
