

Thrushtox™

General Care

Product Description

Recommended as an aid in treating horses and ponies with thrush due to organisms susceptible to copper naphthenate. Contains *copper naphthenate* 37.5%.

Directions For Use

Clean the hoof thoroughly, removing debris and necrotic material prior to application of Thrushtox™. Apply daily to affected hoofs with a narrow paint brush (about 1") until fully healed.

Note: Thrushtox™ is easily removed from hands, clothing and surfaces with light grade fuel oil or any type of lighter fluid.
